Handblender Pro

Air Fryer

Dried fruit machine

## **Kitchen appliances series**

# Temperature Control Electric Glass Kettle

elegant design, beverage specific  
Temperature Control and simple function

12 speed  
temperature control

6 speed  
water selection

Intimate  
nightlight design

high borosilicate  
visible pot body

Product size	264*181*282 mm
Capacity	2L
Power	1500W
Voltage/Battery	220-240V 50/60Hz

# Visual Air Fryer

- Touch operation      Flexible touch、 custom duration
- HD digital display      LED display、 real-time control of temperature
- Temperature control      30~180°temperature adjustable
- Power off the pot      Automatic power off when taking the pot
- Twelve preset menus      Preset basic menu, one click start
- Version: Non-intelligent/ Tuya intelligence

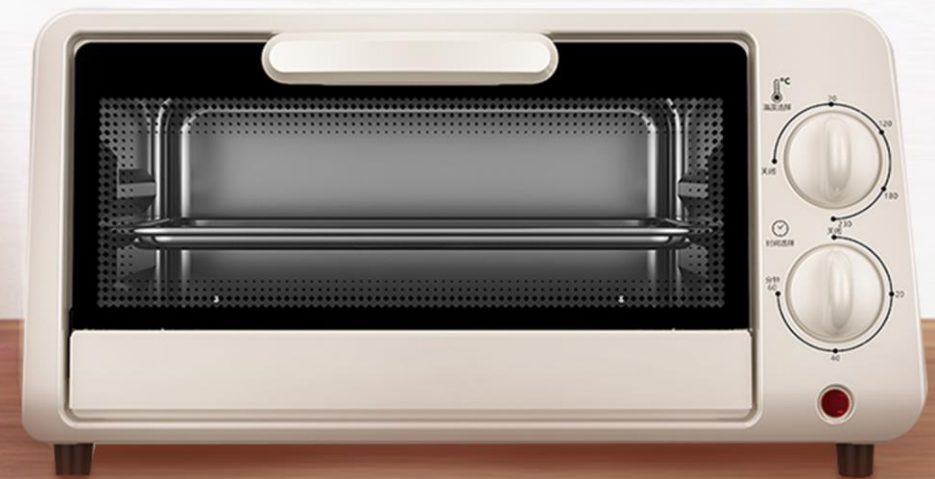

<b>Product size</b>	<b>222*240*294 mm</b>
Capacity	3L
Power	1200W
Voltage/Battery	220-240V 50/60Hz

# Dried fruit machine

- Feed alone 11L gold capacity, enough for 1-2 people
- Temperature control 70-230°C adjustable temperature control
- Hot air circulation 2 stainless heating elements+360°c hot air circulation
- Operation reminder 60 minutes timer with bell ring
- Diversified function Dried fruit, baking, roasting, frying

Product size	348*267*208mm
Capacity	11L
Power	800W
Voltage/Battery	220V~240V 50Hz/60Hz

# Vacuum Sealing Machine Pro

Automatic visual pressure drop operation, free of press, free hands.

Dry pumping/Moist pumping/sealing/separate key control.

Integration of external pumping function, do not worry about losing the connection line.

Top cutter design, make cutting more convenient.

Roll bag can be placed roll on the top, more convenient to use.

<b>Product size</b>	<b>408.92*161.81*127.6 mm</b>
Maximum vacuum	-65±5Kpa
Power	110W
Voltage/Battery	AC 100-240V 50/60Hz

# Vacuum Sealing Machine

Smaller Size

Compact structure

Intelligent and convenient

After the vacuum is pumped, the lid will automatically pop open

With Outside pumping hole

Used for air valves self-sealing bag, fresh-keeping can, etc

Not easy to slide

With internal fixed pin, more stable when sealed

Super silent

Noise is only 55dB

**Product size**

**417.7\*83.7\*66.5 mm**

Maximum Vacuum

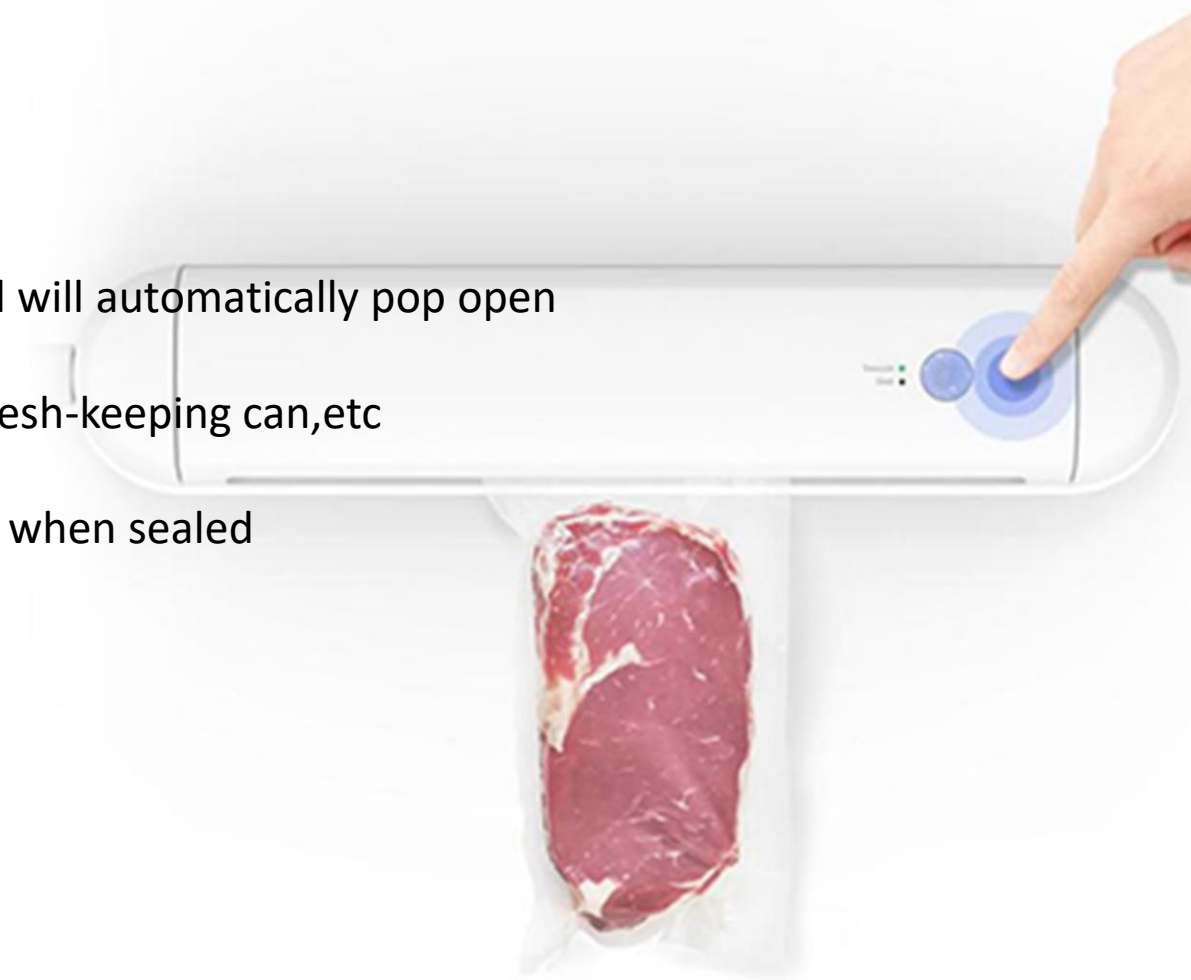

-65±5kPa

Power

100W

Voltage/Battery

AC 100-240V 50/60Hz

# Slow Cooker

Temperature display can switched by°C/°F

Time & temperature display preset temperature, real-time temperature, countdown display

Three safety protection: IPX7water detection protection, anti-over

Temperature protection temperature control fuse protection.

Product size	54*338 mm
Maximum water capacity	15L
Temperature range	20-90°C
Voltage/Battery	AC 100-120V 1000W AC 220-240V 1200W

# Handblender Pro

DC motor      2 speed and variable speed control

Material      Stainless steel blade with detachable sus blade  
Handle and lid with rubber coating  
Handblender with SSleg+chopper+whisker+beaker+AS cup

Attachment      Chopper with 1000ML AS cup with 900ML

**Product size**      **100\*100\*350 mm**

**Power**      1000W

**Voltage/Battery**      220-240V 50/60Hz

# Handblender

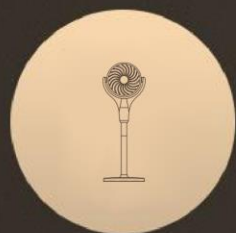

DC motor      2 speed and variable speed control

Material      Stainless steel blade with detachable sus blade  
Handblender with SSleg+chopper+whisker+beaker+AS cup

Attachment      Chopper with 500ML AS cup with 700ML

Product size	70*80*405 mm
Power	800W
Voltage/Battery	220-240V 50/60Hz

## Household appliances series

# Vertical Circulating Fan Pro

Three modes, 12-speed wind speed regulation, touch and remote control regulation

70 degrees left and right, 30 degrees down, and 90 degrees up

Chassis atmosphere light, two-digit digital display

12-hour scheduled appointment on/off

Rear mesh cover with handle, easy to remove and wash

<b>Product size</b>	<b>930*270*260 mm</b>
Blade size	8inches
Power	24 W
Voltage	220-240V 50/60Hz

# Vertical Circulation Fan

Three-speed adjustment Four modes applicable to various scenarios

Various operations Touch & Remote

Memory mode Continuous power on for up to 8 hours of memory

Timed appointment 2H/4H/6H/8H Timed shutdown / scheduled shutdown

Version: Remote control/ Tuya intelligence

Product size	310*898mm
Blade size	8inches
Power	38W
Voltage	220~50Hz

# Vertical Fan

- Three-speed adjustment      Three-speed wind speed, free to switch
- Easy operation                Mechanical knob, easy to use
- Disassembly to cleaning      Easy disassembly for easy cleaning
- Automatic head swing        Left and right automatic head swing, free adjustment up and down
- Soft wind                      Vortex blades for stronger wind

<b>Product size</b>	<b>350*340*105 mm</b>
Blade size	12 inches
Power	50W
Voltage	220~50Hz

# AC Motor Circulation Fan

- Three-speed Free customization, comfortable natural wind
- Stirring the air Extended and contracted to meet a variety of needs
- 3D circulating wind Large inclination fan avoid air conditioning diseases
- Four seasons use With humidifier, purifier, heating, air conditioning, etc
- Detachable design The fan grille can be detached for 360-degree cleaning

Product size	230*210*300 mm
Blade size	7 inches
Power	26W
Voltage	220~50Hz

# Skirting Heater Pro

Rapid heating

2000W high density alloy heating body, immediately open and hot

Constant temperature

Built-in intelligent temperature control system

Heat flow cycle

Natural convection, self-heating cycle to raise room temperature

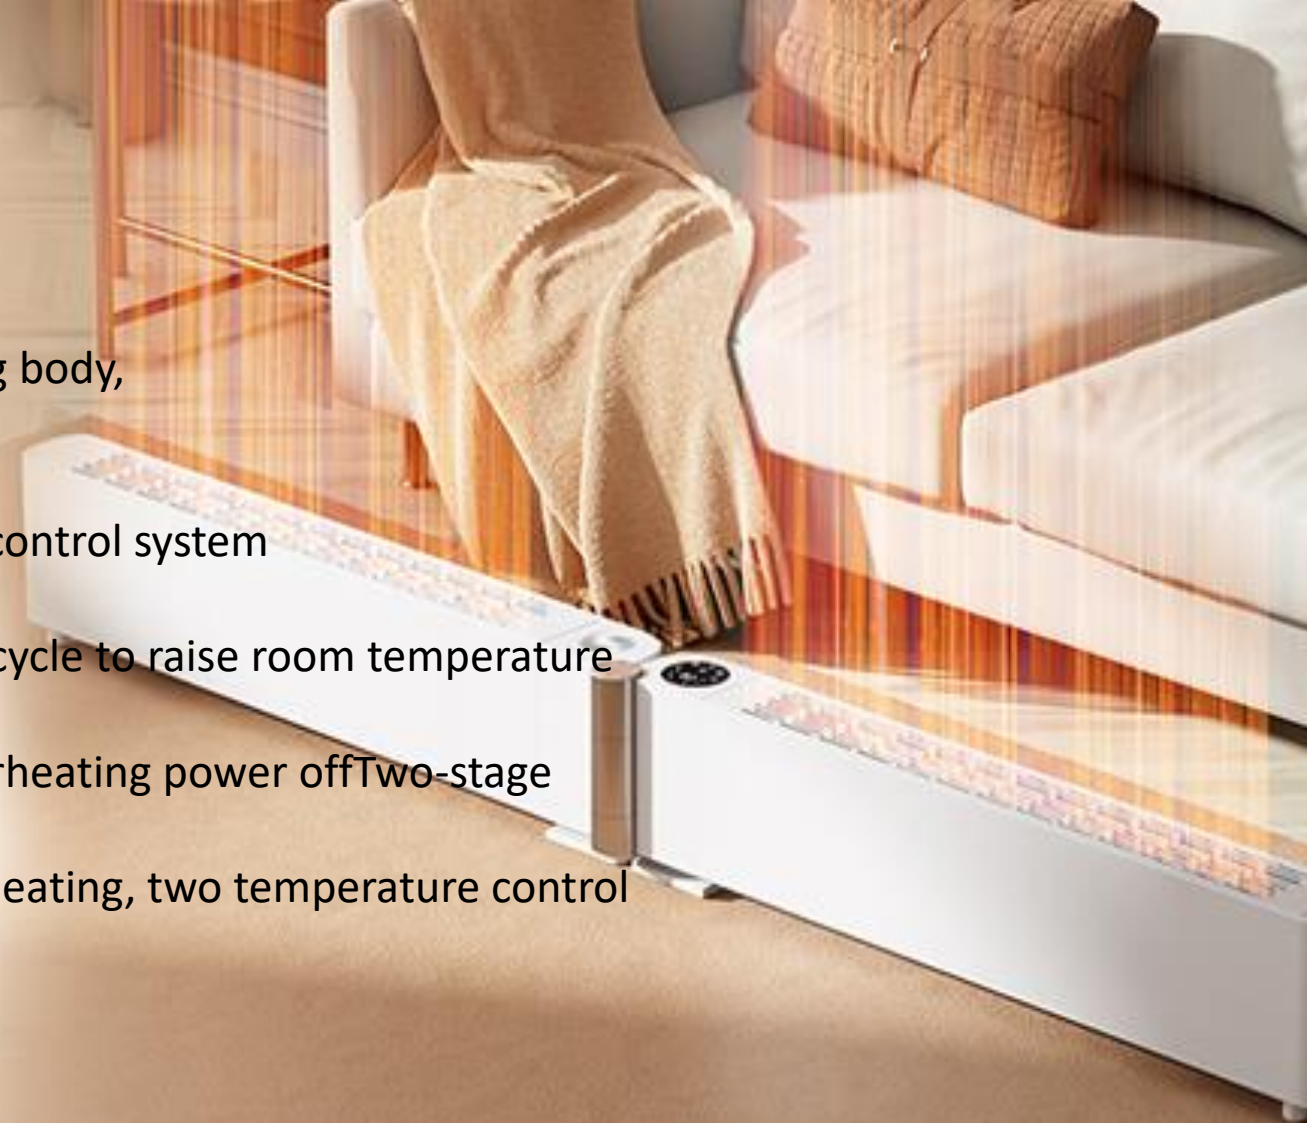

Multiple protection

Child lock, tipping power off, overheating power offTwo-stage

Heating

Super long air outlet large area heating, two temperature control

Product size	900*200*200 mm
Power	2200W
Voltage	220V~50Hz

# Skirting heater

- Rapid heating                    2000W high density alloy heating body, immediately open and hot
- Constant temperature            Built-in intelligent temperature control system
- Heat flow cycle                  Natural convection, self-heating cycle to raise room temperature
- Remote control                  Additional remote control, remote LED HD digital display

Product size	1200*150*230 mm
Power	2000W
Voltage	220~50Hz

# Heater

Low noise free life

No light and low noise operation

Vertical air outlet

Vertical wide-angle air supply

Dual fan drive

80° fan air supply, fast circulation in hot air house

Multiple protection

Child lock, tipping power off, overheating power offTwo-stage

heating

Super high air outlet large area heating, two temperature control

<b>Product size</b>	<b>230*230*630 mm</b>
Power	1500W
Voltage	AC100~120V 50Hz/60Hz AC220~240V 50Hz/60Hz

# Air purifier

BLACK&WHITE  
INTERIOR

High flow purification

Air purification value: 600m<sup>3</sup>/h Laser sensor

Large space application

Applicable area: 73m<sup>2</sup>

Multimode control

Sleep/Medium/High/Auto

Purification and disinfection

UV sterilization/negative ion purification  
PM2.5 numerical display

Product size	310*310*700mm
Power	60W
Voltage	AC100~240V 50Hz/60Hz

# Bed Warmer and Shoe Dryer

- Oxygen deodorization      Built-in active oxygen generator
  - Remove mites              Remove mites by drying, mites removal is 99.9%
  - Hot air dehumidification      With a drying bag, can dehumidify and dry clothes
  - Five modes                  Up to 5 modes, choose at will
- Version: Non-intelligent/ Tuya intelligence

Product size	225*110*182 mm
Temperature range	55~75°C
Power	450W
Voltage	220~50Hz

# Hot Towel Machine

- Hot towels use            Super fast 5S out hot towels
- Smart reminder            Real-time monitoring, reminder of water/material shortage
- Infrared sensor            Take the towel away, and the door closes automatically
- Antibacterial towel      0 added, no hair loss, care for healthy skin
- Version: Non-intelligent/ Tuya intelligence

Product size	220*100*200 mm
Temperature range	45~65°C
Power	750W
Voltage	220~50Hz

Personal care cleaning products

# High Speed Hair Dryer

- High speed motor            110,000 RPM motor, motor technology patent
- Temperature control        Two speed, three speed, preset cold, warm, hot air
- Intelligent temperature    Intelligent temperature control chip to avoid high temperature baking hair
- Low noise operation        59dB acoustic modulation motor, low noise
- Negative ion curing        200 million negative ions, anti-static soft hair care

<b>Product size</b>	<b>276*90*71mm</b>
Power	1600W
Voltage	AC100~120V 50Hz/60Hz AC220~240V 50Hz/60Hz

# Vacuum Cleaner Pro

Working time: 45mins/30 mins/13mins Vacuum:9kPa/13kPa/27kPa

LED display Top screen, front screen intelligent digital display

Multilayer filtration Multiple filter cleaning

Multi charge method High power operation, clean more thoroughly

Various accessories Various accessories/Wall bracket/Crevice brush/Charger

Product size	350*130*230mm
Dust capacity	0.8L
Power	DC 380W
Voltage	29.5V 2500mAh

# Cordless Vacuum Cleaner

Working time: 40mins/20 mins

Vacuum: 8kPa/11kPa

Multilayer filtration

Multiple filter cleaning

Multi charge method

High power operation, clean more thoroughly

Various accessories

Various accessories/Wall bracket/Crevice brush/Charger

Product size	300*206*100 mm
Dust capacity	0.7L
Power	DC 160W
Voltage	22.2V 220mAh

# Sterilization lamp

Sterilization method      China lamp, 32w high-power ultraviolet sterilization

Disinfection              Eauty personalelectronic product

Human body detection    Intelligent human body induction

Version: Non-intelligent/ Tuya intelligence

**Product size**            **120\*120\*240 mm**

Applicable area        10~30 m<sup>3</sup>

Power                    32W

Voltage                 220~50Hz

# Multifunctional sterilizing box

Wireless charging version

Disinfection method UVC-LED disinfection and sterilization

Wireless charging 10WQi wireless fast charging

Disinfection Beauty personal, electronic product

Functional parameters 10WQi wireless charging, 2 LED lamp

Product size	189.5*105*38 mm
Output power	≤15W
Disinfection power	≤20mW

# Multifunctional Sterilization Drying Cartridge

Sterilization	UVC sterilization and sterilization rate 99.99%
High temperature drying	PTC constant 60°C temperature slow drying
Upside-down drying	Disinfection of items, no damage to items
Two modes	15 minutes/90 minutes drying mode, choose at will
Simple operation	Short/long press start the machine, simple operation

Product size	130*130*293 mm
Power	110W
Voltage	220~50Hz
